## Default Image Sizes

If you need any assistance, please contact [support@shapingrain.com](mailto:support@shapingrain.com). We do provide free support for all our products, but as per our support policy, we do not provide support through the comments section on themeforest.

## Banner Images

All banner images we use for our demo site – for both the single static image as well as the image slider – have a dimension of 378 × 398px.

Images larger than 460 × 398px will be resized by your browser to fit into the banner's media section.
